### **New Jersey Packaging Expands Production Facilities**

#### ***New equipment enhances flexible packaging capabilities***

FAIRFIELD, NJ – New Jersey Packaging, a dedicated partner for pharmaceutical printing solutions, has recently completed an expansion of its production facilities, moving three printing presses and finishing equipment from a subsidiary location in Elmwood Park, New Jersey to its Fairfield headquarters, it was announced by Dr. Narendra R. Srivatsa, the company's Business Development Manager/Brand Authentication.

According to Dr. Srivatsa, the addition of the new equipment at the Fairfield location enables New Jersey Packaging to produce flexible packaging, labels, and inserts/outserts from a single location, affording its customers with faster, more convenient service.

A subsidiary of Menasha Corporation, New Jersey Packaging has the ability to bring single-source excellence to pharmaceutical packaging materials. With more than three decades of printing experience solely for the pharmaceutical industry, the company has become one of the recognized leaders in providing packaging and labeling services to the industry. New Jersey Packaging products include inserts and outserts, labels, flexible packaging and folding cartons, and a range of anti-counterfeiting solutions,
