FPA Thanks Sponsors of 2010 Fall Executive Conference

Linthicum, Maryland: July 12, 2010 – “The Flexible Packaging Association is grateful to the sponsors of the upcoming 2010 FPA Fall Executive Conference. Their generous support has assisted FPA in providing content-rich educational conferences and meetings with quality speakers and great networking opportunities that benefit FPA members and the flexible packaging industry,” commented Marla Donahue, FPA president.

The sponsors of the 2010 FPA Fall Executive Conference networking events include:

- **Appleton Performance Packaging – Films** manufactures monolayer to 8-layer coextruded polyethylene film for food, medical and industrial applications.
- **Berry Plastics Corporation** manufacturers and marketer of plastic packaging products including open and closed top packaging, polyethylene, polypropylene and PVC based plastic films.
- **Coim USA Incorporated/Novacote Flexpack** is an innovator of solvent and solvent-free adhesives, primers and heat seal coatings for laminating and coating applications for packaging.
- **Comexi North America, Incorporated** develops products and services including an extensive selection of 8 and 10-color flexographic printing presses, solventless laminators and slitter/rewinders.
- **The Dow Chemical Company** offers a variety of film substrates and resins for flexible packaging in applications including food and beverage packaging, stretch or shrink films, stretch hoods, and heavy-duty shipping sacks.
- **DuPont Company** is a global manufacturer and supplier of adhesive, sealant and structural resins and films to the packaging industry.

- **Ecologic, LLC** is the exclusive global commercial organization for EcoPure™ family of products in the flexible and rigid packaging industries.
- **Flint Group** is one of the largest ink manufacturers working with printers and converters to deliver robust and consistent products that meet customers' needs.
- **Harper Corporation of America** is a leading innovator of anilox roll production and restoration for packaging, wide web and newspaper flexographic printing markets.
- **Hosokawa Alpine American** is a supplier of complete blown film extrusions systems and components including co-extrusion dyes up to nine layers.

The 2010 FPA Fall Executive Conference will be held on Thursday, September 30, 2010 at the InterContinental Hotel in Chicago, IL. The Conference will begin with registration and breakfast from 8:30 a.m. - 9:00 a.m. Morning presentations will begin at 9:00 a.m. followed by the networking luncheon at 12:00 p.m. Afternoon presentations will conclude at 4:45 p.m. and will be followed by an evening reception at 5:00 p.m. Registration for the 2010 FPA Fall Executive Conference is now available on the FPA website, www.flexpack.org.

For more information, visit the FPA website at www.flexpack.org or contact the Association at (410) 694-0800.

About the Flexible Packaging Association

The Flexible Packaging Association has served as the voice of the flexible packaging industry since 1950. FPA members are manufacturers of flexible packaging sold to users or distributors for packaging purposes, and material or equipment suppliers to the industry. Flexible packaging is produced from paper, plastic, film, aluminum foil, or any combination of those materials, and includes bags, pouches, labels, liners, wraps, rollstock, and other flexible products.
