**Harper Roadshow, Worcester, Massachusetts, Is Filling Up Quickly!**

*Charlotte, North Carolina, September 23, 2011*— Global anilox roll supplier Harper Corporation has announced that registration for the October 4, 2011 Harper Roadshow in Worcester, Massachusetts, is filling up quickly. Flexographic professionals that plan to attend are urged to register as soon as possible, as space is becoming increasingly limited.

The 2011 Harper Roadshow presents its participants with a day of demonstrations and classes that discuss the topics that are relevant to the present and the future of the flexographic industry. Those that attend the Worcester, Massachusetts, Roadshow will discuss a diverse list of topics, including anilox standardization, the reduction of change overtime and waste rates, ink viscosity instrumentation, ink adhesion to films, the care and maintenance of anilox rollers, common flexographic printing problems and their solutions, and plate mounting tapes.

Harper Corporation of America is proud of the many speakers that will be leading the Roadshow, including: Alex James, HGS Eastern Manager; Bill Poulson, from Harper Corporation; Mark Johnson, from Flxon; Robert Norcross, from Norcross; Kurt Hudson, from Actega/WIT; Jeff Paduano, from ARCS; Doug Weiss, from Kodak; and Joe Prunier, from Tesa Tape.

Participants at the 2011 Harper Corporation Roadshow will be provided with lunch, which will be sponsored by Harper Corporation, Flxon, Norcross, Actega/WIT, ARCS, Kodak, and Tesa Tape.

The Roadshow will take place at the Hilton Garden Inn, located at 35 Major Taylor Boulevard in Worcester, Massachusetts, 01608. Attendees can reach the hotel at (508) 753-5700.

Following the Worcester, Massachusetts, Roadshow will be the final Harper Roadshow of the year, located in Dallas, Texas, on October 26, 2011.
