**FPA Announces 2020 Board of Directors**

*The Board assumed directorship on March 4, 2020*

**Annapolis, Maryland: April 2, 2020** – The Flexible Packaging Association (FPA) announced the election of its 2020 Board of Directors. Curt Begle, President of the Health, Hygiene, and Specialties Division of Berry Global continues as Chairperson of the FPA Board of Directors and Kathy Bolhous, CEO of Charter NEX Films, Inc. was elected as Executive Vice Chairperson.

The 2020 Board of Directors were elected by FPA voting members via ballot for a one-year term, with the exception of the Chairperson's two-year term, and assumed their directorship on March 4, 2020, during the FPA 2020 Annual Meeting in Bonita Springs, Florida. The 2020 Board is comprised of industry leaders from 37 flexible packaging companies.

Newly appointed Directors include Tricia DeLaney, ExxonMobil Chemical Company; Kevin Keneally, PPC Flexible Packaging; and Nestor de Mattos, Dow; and newly appointed Chairperson's Advisory Council members include Evan Arnold, Glenroy, Inc. and Catherine Heckman, Ashland. "FPA is pleased to welcome the new members to the Board of Directors," said FPA Chairperson, Curt Begle. "Their industry experience and proven business leadership will serve the association well."

The 2020 FPA Board of Directors includes:

###

**About the Flexible Packaging Association (FPA)**

The Flexible Packaging Association is the voice of the U.S. manufacturers of flexible packaging and their suppliers. The association's mission is connecting, advancing, and leading the flexible packaging industry. Flexible packaging represents over \$31 billion in annual sales in the U.S. and is the second largest, and one of the fastest growing segments of the packaging industry. Flexible packaging is produced from paper, plastic, film, aluminum foil, or any combination of those materials, and includes bags, pouches, labels, liners, wraps, rollstock, and other flexible products.
