About the Flexible Packaging Association

The Flexible Packaging Association has served as the voice of the flexible packaging industry since 1950. FPA members are manufacturers of flexible packaging sold to users or distributors for packaging purposes, and material or equipment suppliers to the industry. Flexible packaging is produced from paper, plastic, film, aluminum foil, or any combination of those materials, and includes bags, pouches, labels, liners, wraps, rollstock, and other flexible products

For more information please contact Lauren Johnson, communications manager at (410) 694-0800 or ljohnson@flexpack.org.
