LPS Industries Names Paul Harencak as VP Business Development and Technical Services

MOONACHIE, N.J., July 9, 2018 LPS Industries is pleased to announce Mr. Paul Harencak has joined the company as Vice President of Business Development and Technical Services. He will report directly to Madeleine Robinson, CEO, and in this role, Paul will identify and pursue strategic opportunities to develop new markets and new products for LPS. He will also assume the leadership role for the QA/QC/R&D department.

Paul has an extensive background in coating and laminating, most recently in his role as the VP/General Manager of The CLI Group, Paterson NJ. He has a B.S. degree from Rutgers University in Biological Sciences with minors in Chemistry and Math and is quite active in various business and civic organizations.
