PAMARCO TO SPONSOR 2018 FLEXOTECH AWARDS

September 13, 2018- Pamarco, a leading manufacturer for flexographic printing rolls, press accessories and consumables, will be a sponsor of the 2018 FlexoTech Awards. The ceremony will be held in Royal Lancaster London on October 10th, 2018. With fifteen award categories, the FlexoTech International Print and Innovations Awards represent the greatest achievements in the industry within the past year. The ceremony provides a unique opportunity to network and learn about the latest in flexo prints, pre-press, machinery, and other equipment innovations.

We are excited to see the products that represent the latest and greatest in print technology and creativity. Pamarco representatives are looking forward to taking part in this prestigious event and learning more about the future of the print industry from the best and brightest. Please join us for a special evening of celebrating all that our industry has to offer.

About Pamarco: Committed to the market for seventy years, our business culture and value for relationships have been the drivers and differentiating factors behind our position as the world's most successful roll supplier to date. From offering the most extensive portfolio of products on the market, to offering the best consultative advice, to delivering superior customer service; all underpinned by our passionate corporate culture, Pamarco has been able to build enduring and meaningful relationships with converters and OEM suppliers worldwide. To find out what Pamarco can do for you, please visit us online at www.pamarco.com.
