RE: VONCO PRODUCTS NEW SALEM, WI FACILITY UPDATE

It's June and the weather isn't the only thing heating up this Summer! Vonco's new facility is complete, our new 8-color flexographic printing press is being installed and tested and the Vonco staff begins moving in June 19th! We have a great team of employees and partners keeping us on time, on budget and in specification to meet our internal demands and those of our customers.

As promised, we are keeping our valued customers informed on our progress and are excited to share a few pictures with you.

Vonco's Salem Facility

Vonco's new 8 color flexo press

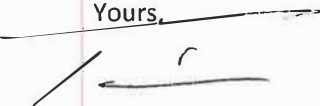

Vonco's new corporate offices

Our commitment remains to minimize any disruption in our ability to produce and service the quality products you expect from Vonco and to keep you updated on when to prepare for updates on your end with our new location. Until then, please continue to use our Lake Villa address and phone numbers you currently are using.

Thank you for your continued support and patience throughout our move. If you have additional questions or concerns, please do not hesitate to contact me.

Yours,

Tim Morgan

Partner/VP Sales & Marketing
