**FPA Announces 2023 Board of Directors**

*The Board assumed directorship on March 29, 2023*

**Annapolis, Maryland: May 11, 2023** – The Flexible Packaging Association (FPA), the leading advocate and voice for the growing U.S. flexible packaging industry, is pleased to announce the election of its 2023 Board of Directors. William Jackson, Ph.D., Chief Technology Officer, Amcor Flexibles, is the new Chair of the FPA Board of Directors. Jackson succeeds Kathy Bolhous, CEO of Charter Next Generation, who served as Chair of the FPA Board of Directors from March 2021 – March 2023.

The 2023 Board of Directors were elected by FPA voting members via ballot for a one-year term, except the Chair's two-year term, and assumed their directorship on March 29, 2023, during the FPA Annual Meeting held March 29-30, 2023, in Amelia Island, Florida. The 2023 Board is comprised of industry leaders from 35 flexible packaging companies.

Newly appointed Directors include Evan Arnold, Glenroy, Inc.; Sean Bowie, Bryce Corporation; Ritika Kalia, Dow; Nicki Kerrigan, Flint Group; and David Nunes, Hosokawa Alpine American, Inc. "FPA is pleased to welcome the new members to the Board of Directors," said FPA Chair, William Jackson. "Their industry experience and proven business leadership will serve the association well."

**About the Flexible Packaging Association (FPA)**

The [Flexible Packaging Association](http://www.flexpack.org) is the voice of the U.S. manufacturers of flexible packaging and their suppliers. The association's mission is connecting, advancing, and leading the flexible packaging industry. Flexible packaging represents over \$39 billion in annual sales in the U.S. and is the second largest, and one of the fastest-growing segments of the packaging industry. Flexible packaging is produced from paper, plastic, film, aluminum foil, or any combination of those materials, and includes bags, pouches, labels, liners, wraps, rollstock, and other flexible products.
